## SPONSOR A MEDICAL TRIP

\$ 4 0

All of the children in Ekisa's Residential Program are living with some degree of disability. Ekisa's nurses are kept very busy traveling to various medical and specialist appointments, many that are located 2-3 hours away.

Ekisa Ministries works in Jinja, Uganda, to improve the lives of children living with disabilities. Through social services such as counselling and support, therapy, medical aid, education, and foster care, we aim to end stigma, strengthen families, and see children loved and fully valued.
