SCHOOL SUPPLIES FOR ONE CHILD FOR THE YEAR

\$ 2 0

The teachers at Ekisa Academy are always creating and adapting resources to help the students reach their full potential in areas such as communication, fine motor and life skills. Besides paper and crayons, items such as shaving cream, play dough and musical instruments are used to create sensory educational experiences.

Ekisa Ministries works in Jinja, Uganda, to improve the lives of children living with disabilities. Through social services such as counselling and support, therapy, medical aid, education, and foster care, we aim to end stigma, strengthen families, and see children loved and fully valued.
