\$ 5 0

One of the goals of Ekisa's Community Care Program is keeping children in families. Ekisa's social workers work tirelessly to strengthen and preserve families in the community, providing counseling, education and ensuring each child has what they need to thrive.

Ekisa Ministries works in Jinja, Uganda, to improve the lives of children living with disabilities. Through social services such as counselling and support, therapy, medical aid, education, and foster care, we aim to end stigma, strengthen families, and see children loved and fully valued.
