ONE CHILD'S EDUCATION FOR A TERM

\$ 8 0

Ekisa Academy was established to provide children access to specialized education; education that includes physical therapy, phonics, maths, reading, writing, fine and gross motor skills, music, physical education and life skills.

Ekisa Ministries works in Jinja, Uganda, to improve the lives of children living with disabilities. Through social services such as counselling and support, therapy, medical aid, education, and foster care, we aim to end stigma, strengthen families, and see children loved and fully valued.
