Ekisa is committed to strengthening the families in the Community Care Program. As a means to achieve that goal, the empowerment program provides business classes, training and micro-loans to start small businesses to help them attain financial stability.

Ekisa Ministries works in Jinja, Uganda, to improve the lives of children living with disabilities. Through social services such as counselling and support, therapy, medical aid, education, and foster care, we aim to end stigma, strengthen families, and see children loved and fully valued.
