Caring for children living with special needs in Ekisa's Residential Program is a specialized and demanding job. Ekisa employs many wonderful women who show an incredible amount of love and patience to each of the children that they care for.

Ekisa Ministries works in Jinja, Uganda, to improve the lives of children living with disabilities. Through social services such as counselling and support, therapy, medical aid, education, and foster care, we aim to end stigma, strengthen families, and see children loved and fully valued.
