PROVISION OF ASSISTIVE DEVICES

\$ 150

Many of the children in Ekisa's programs have difficulties with mobility and gross motor skills. Assistive devices including wheelchairs, standing frames and walking bars are provided to improve their quality of life.

Ekisa Ministries works in Jinja, Uganda, to improve the lives of children living with disabilities. Through social services such as counselling and support, therapy, medical aid, education, and foster care, we aim to end stigma, strengthen families, and see children loved and fully valued.
